**IMPLEMENTATION OF STANDARD OPERATING PROCEDURES  
(VERSION 4.0) FOR INTERNATIONAL PASSENGER / CHARTERED/  
PRIVATE AIRCRAFT FLIGHTS - CIVIL AVIATION AUTHORITY  
PAKISTAN**

The following is clarified relating to inbound travel to Pakistan from Category C Countries in the wake of earlier COVID-19 directives:

- Pakistani Nationals holding the following *valid* documents may be allowed to travel to Pakistan from Category C Countries in the month of June, 2021, without grant of specific exemption issued from National Command Operation Center (NCOC) on proof of a valid negative PCR Test result conducted within the 72 hours prior to commencement of travel to Pakistan:
  - Pakistani Passports
  - Pakistani Computerized National Identity Cards (CNIC)
  - Pakistani National Identity Card for Overseas Pakistanis (NICOP)
  - Pakistan Origin Card (POC)
- Passengers other than Pakistanis originating from a Category C Country or having stayed in a Category C Country in the last 10 days prior to commencement of travel to Pakistan will require grant of specific exemptions from the Competent Authority.
- Passengers holding any nationality having stayed *more than 10 days in Countries other than Category C Countries* may be allowed to travel to Pakistan on proof of a valid negative PCR Test result conducted within the 72 hours prior to commencement of travel to Pakistan.
- Passengers originating from a Country other than Category C Countries and only transiting through Category C Countries without leaving the airport terminal building / transit lounge may be allowed to travel to Pakistan with proof of a valid negative PCR Test result conducted within the 72 hours prior to commencement of travel to Pakistan.

2. Other applicable provisions of Standard Operating Procedures, guidelines and procedures in-vogue relating to inbound travel to Pakistan issued from time to time will continue to be applicable on any or all passengers arriving in Pakistan.
